PRICE LIST PAGE	18

**FULL DESCRIPTION** Heavy duty insulated bib trousers. Provides warmth for chest, back and kidneys. Adjustable heavy duty braces for a comfortable fit. Polyester fibre insulated for all cold conditions

**FEATURES** Rip Stop nylon interwoven with reinforcement threads which make it resistant to tearing and ripping. High visibility safety panels on front, back and arms. Nylon taffeta lining, channel quilted with thick bonded, polyester fibre insulation. Heavy duty double slide zippers under touch tape, storm seal covers 9fly opens separately). Leg zippers are full length and double slide for fast dressing and undressing. Roomy hand warming and utility pockets. Elastic and internal drawstring ensure a snug fit. 3M reflective tape.

**APPLICATIONS** Cold storage and freezer applications. Also excellent for any cold climate work.

**TEMPERATURE RATING** Our garments can be worn down to -76°F (-50°C). Comfort levels will differ for each individual dependent on the environment, exposure time, application and undergarments. Please note adding additional protection can be added by including Thermal Garments under the Freezer Wear.
