FULL DESCRIPTION	Freezer trousers. Polyester fibre insulated for all cold conditions. Double thickness nylon reinforcements on legs. Full side leg zippers and touch tape for easy dressing.
FEATURES	Rip Stop nylon interwoven with reinforcement threads which make it resistant to tearing and ripping. High visibility safety panels on legs. Nylon taffeta lining, channel quilted with thick bonded, polyester fibre insulation. Heavy duty double slide zippers under touch tape, storm seal covers (fly opens separately). Leg zippers are full length and double slide for fast dressing and undressing. Roomy hand warming and utility pockets. Corded and internal drawstring ensures snug fit. 3M reflective tape.
APPLICATIONS	Cold storage and freezer applications. Also excellent for any cold climate work.
TEMPERATURE RATING	Our garments can be worn down to -76°F (-50°C). Comfort levels will differ for each individual dependent on the environment, exposure time, application and undergarments. Please note adding additional protection can be added by including Thermal Garments under the Freezer Wear.
