

BLUE GRIP

Introducing Hepworths New Silverlined Glove

HEPWORTHS BLUE GRIP glove is the newest addition to our glove range and is manufactured to the latest industrial standards.

It has a wide range of applications especially within the food handling and processing industry.

Fish Scale Grip

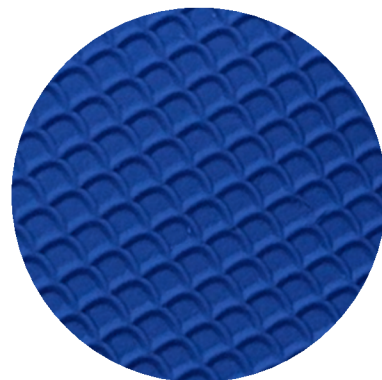

Premium silver lining Industrial fit glove with extended cuff. Fish scale grip to improve grip and product handling.

Handling

Excellent tensile strength but thin enough to make handling a breeze.

Applications

All final stages of meat or fish processing, controlled environment rooms, dairy processing, food service industry and janitorial use. Reusable natural latex.
